3

Overview

Why dictation?

Getting started: Siri & Contacts

Phone calling

Texting

Email

Q & A

4

Why dictation?

It's easier and faster!

- phoning
- texting
- emailing

Dictation options
- microphone
- Siri

5

Getting started: Siri

Apple's tool for voice commands

- Set up your Siri settings

6

Getting started: Siri
Siri is easier & fun!

Two ways to activate:
- home button
- "Hey Siri"

Practice:
- "What's the weather today?"

Speak clearly 😊

Getting started: Contacts

- name

- mobile # for calls <u>&</u> texts
- landline # for calls *only*

- email address
