Ashby Village &
U.C. Berkeley Retirement Center

Coordinated by Maryl Gearhart & Pat Hom

Ashby Village (www.ashbyvillage.org) is an East Bay nonprofit that connects people ages 50+ with each other and with volunteer services & programs, so we can remain active and independent in our homes and communities.

The **University of California Berkeley Retirement Center** (<https://retirement.berkeley.edu>) serves retirees of UC Berkeley, LBNL and UCOP and is dedicated to helping them live well in retirement.

A Short History

How did media streaming get started?

Basics

What is streaming?

- Devices
 - Services
 - Content
- 

Internet Requirements

- Quality of connection depends on speed of internet connection
- At least 5 Mbps (download)
- Check bandwidth and consider upgrading

Questions?

Devices

- Apple environment -> Apple TV box
- Roku -> conventional remote control
- Chromecast -> cross-platform, control w/phone
- Boxes vs. Sticks -> options balance price
- Closed Caption -> available on all???

Apple TV w/ Remote

Chromecast

Small size. Big performance.

Your shows play faster, smoother and more reliably. Even if your Wi-Fi network isn't ready for the demands of 4K, Chromecast Ultra comes with an Ethernet adapter so you can enjoy smooth streaming over a wired connection.

By Margaret Lyons
Television Critic

Dear Watchers,

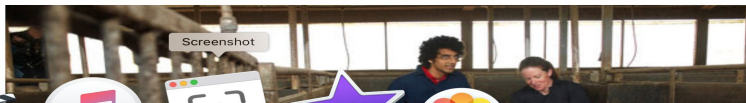

Apple TV+ announced today that “Long Way Up,” a follow-up to “Long Way Round” (2004) and “Long Way Down” (2007) will premiere on Sept. 18. The shows follow Ewan McGregor and Charley Boorman on monthslong motorcycle trips, and I loved the first two series back in the day. (They’re not currently streaming, but I’m lighting a candle in the hopes they become available in connection with the new iteration.) Ah, travel.

See you Wednesday.
